If you have an e-mail address, we would appreciate it if you would provide us with it. The CCGS uses your e-mail address to share society information (upcoming meeting information, local genealogical items, etc.). Using your e-mail address to contact you, whenever possible, is much cheaper than using the U.S. mail, and saves the society a significant amount of money over time. Newsletters are sent by U.S. mail. Thank you for your cooperation!

HELP US SPREAD THE WORD:

Do you know of others who have an interest in genealogy and family history? If so, please share their names and contact information so that we can let them know about the activities of the CCGS.

SUBMIT A FAMILY GROUP SHEET OR ANCESTOR CHART:

Please take a moment to submit a Family Group Sheet and a 4/5 generation Pedigree Chart along with your membership application. This will allow us to include your Charlevoix County ancestor findings with those of other local researchers. This is a very important part of your membership, PLEASE be sure to share what you know with others who may be researching your same families and/or surnames.
